Other Companions

Traits

Resilient

[Paizo Inc. - Advanced Player's Guide, p.328]

Growing up in a violent neighborhood or in the unforgiving wilds often forced you to subsist on food and water from doubtful sources. You gain a +1 trait bonus on Fortitude saves.

Undead Slayer (Pharasma)

[Paizo Inc. - Advanced Player's Guide, p.333]

Instructed at a young age in the tenets of the faith of Pharasma, you view the undead as abominations that must be destroyed, so their souls can journey beyond to be judged. You gain a +1 trait bonus on weapon damage against undead.

Special Attacks

Humanoid (Human) (Ex)

[Paizo Inc. - Core Rulebook, p.64]

You gain a +4 bonus on Bluff, Knowledge, Perception, Sense Motive, and Survival checks when using these skills against humans. Likewise, you get a +4 bonus on weapon attack and damage rolls against such creatures. You may make Knowledge Skill checks untrained to identify such creatures.

Undead (Ex)

[Paizo Inc. - Core Rulebook, p.64]

You gain a +2 bonus on Bluff, Knowledge, Perception, Sense Motive, and Survival checks when using these skills against undead. Likewise, you get a +2 bonus on weapon attack and damage rolls against such creatures. You may make Knowledge Skill checks untrained to identify such creatures.

Special Qualities

Combat Style Feat (Ex)

[Paizo Inc. - Core Rulebook, p.65]

At 2nd level, a ranger must select one of two combat styles to pursue: archery or two weapon combat. The ranger's expertise manifests in the form of bonus feats at 2nd, 6th, 10th, 14th, and 18th level. He can choose feats from his selected combat style, even if he does not have the normal prerequisites. If the ranger selects archery, he can choose from the following list whenever he gains a combat style feat: Far Shot, Point-Blank Shot, Precise Shot, and Rapid Shot. At 6th level, he adds Improved Precise Shot and Manyshot to the list. At 10th level, he adds Pinpoint Targeting and Shot on the Run to the list. If the ranger selects two-weapon combat, he can choose from the following list whenever he gains a combat style feat: Double Slice, Improved Shield Bash, Quick Draw, and Two-Weapon Fighting. At 6th level, he adds Improved Two-Weapon Fighting and Two-Weapon Defense to the list. At 10th level, he adds Greater Two-Weapon Fighting and Two-Weapon Rend to the list. The benefits of the ranger's chosen style feats apply only when he wears light, medium, or no armor. He loses all benefits of his combat style feats when wearing heavy armor. Once a ranger selects a combat style, it cannot be changed.

Dual Talent

[Paizo Inc. - Advanced Race Guide, p.72]

Some humans are uniquely skilled at maximizing their natural gifts. These humans pick two ability scores and gain a +2 racial bonus in each of those scores. This racial trait replaces the +2 bonus to any one ability score, the bonus feat, and the skilled traits.

Favored Terrain (Cold) (Ex)**[Paizo Inc. - Core Rulebook, p.65]**

You gain a +2 bonus on Knowledge (Geography), Perception, Stealth, and Survival checks when using these skills in cold terrain (ice, glaciers, snow, and tundra). Likewise, you get a +2 bonus on initiative checks when in this terrain. If you desire, you leave no trail in this terrain and cannot be tracked.

Humanoid Traits (Ex)**[Paizo Inc. - Core Rulebook, p.308]**

Humanoids breathe, eat, and sleep.

Hunting Companions (Ex)**[Paizo Inc. - Core Rulebook, p.66]**

You form a powerful band with your companions. You may spend a move action to grant half your favored enemy bonus against a single target to all allies within 30 feet who can see or hear you for 1 rounds. This bonus does not stack with any favored enemy bonuses possessed by your allies; they use whichever bonus is higher.

Track (Ex)**[Paizo Inc. - Core Rulebook, p.64]**

You gain +2 to Survival checks made to follow tracks.

Versatile Human**[Paizo Inc. - Advanced Race Guide, p.]**

While they lack some of the training of other humans, the natural talents of versatile humans more than make up for this lack. Replace the +2 bonus to any ability score, the skilled racial trait, and the bonus feat racial trait with dual talent.

Wild Empathy (Ex)**[Paizo Inc. - Core Rulebook, p.50/64]**

You can improve the attitude of an animal. This ability functions just like Diplomacy check made to improve the attitude of a person. You roll 1d20+5 to determine the Wild Empathy check result. The typical domestic animal has a starting attitude of indifferent, while wild animals are usually unfriendly. To use Wild Empathy, you and the animal must be within 30 feet of one another under normal circumstances. Generally, influencing an animal in this way takes 1 minute, but as with influencing people, it might take more or less time. You can use this ability to influence a magical beast with an Intelligence score of 1 or 2, but you take a -4 penalty on the check.

Feats**Cleave****[Paizo Inc. - Core Rulebook, p.119]**

You can strike two adjacent foes with a single swing.

As a standard action, you can make a single attack at your full base attack bonus against a foe within reach. If you hit, you deal damage normally and can make an additional attack (using your full base attack bonus) against a foe that is adjacent to the first and also within reach. You can only make one additional attack per round with this feat. When you use this feat, you take a -2 penalty to your Armor Class until your next turn.

Great Cleave**[Paizo Inc. - Core Rulebook, p.124]**

You can strike many adjacent foes with a single blow.

As a standard action, you can make a single attack at your full base attack bonus against a foe within reach. If you hit, you deal damage normally and can make an additional attack (using your full base attack bonus) against a foe that is adjacent to the previous foe and also within reach. If you hit, you can continue to make attacks against foes adjacent to the previous foe, so long as they are within your reach. You cannot attack an individual foe more than once during this attack action. When you use this feat, you take a -2 penalty to your Armor Class until your next turn.

Power Attack**[Paizo Inc. - Core Rulebook, p.131]**

You can make exceptionally deadly melee attacks by sacrificing accuracy for strength.

You can choose to take a -2 penalty on all melee attack rolls and combat maneuver checks to gain a +4 bonus on all melee damage rolls. This bonus to damage is increased by half (+50%) if you are making an attack with a two-handed weapon, a one handed weapon using two hands, or a primary natural weapon that adds 1-1/2 times your Strength modifier on damage rolls. This bonus to damage is halved (-50%) if you are making an attack with an off-hand weapon or secondary natural weapon. You must choose to use this feat before making an attack roll, and its effects last until your next turn. The bonus damage does not apply to touch attacks or effects that do not deal hit point damage.

Endurance**[Paizo Inc. - Core Rulebook, p.112]**

Harsh conditions or long exertions do not easily tire you.

You gain a +4 bonus on the following checks and saves: Swim checks made to resist nonlethal damage from exhaustion; Constitution checks made to continue running; Constitution checks made to avoid nonlethal damage from a forced march; Constitution checks made to hold your breath; Constitution checks made to avoid nonlethal damage from starvation or thirst; Fortitude saves made to avoid nonlethal damage from hot or cold environments; and Fortitude saves made to resist damage from suffocation. You may sleep in light or medium armor without becoming fatigued.

Two-Weapon Fighting (Granted)**[Paizo Inc. - Core Rulebook, p.136]**

You can fight with a weapon in each of your hands. You can make one extra attack each round with the secondary weapon.

Your penalties on attack rolls for fighting with two weapons are reduced. The penalty for your primary hand lessens by 2 and the one for your off hand lessens by 6. See Two-Weapon Fighting in Chapter 8.
